EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Fred Gibb on 04/06/2005.

The application has been amended as follows:

2. The following is an examiner's statement of reasons for allowance: No prior art teaches or renders obvious the features of the newly amended claims. Specifically, none of the prior art teaches all of the following: assigning an identification number to secondary devices; changing a physical appearance of a device based on its proximity to secondary devices; wherein the location of the primary device is based on what secondary devices are connected to it and further the display appearance is changed on the primary device to specifically accommodate the determined physical location.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin Parton whose telephone number is (571)272-3958. The examiner can normally be reached on M-F 8:00AM - 4:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glenton Burgess can be reached on (571)272-3949. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
